

Explore Your Archive 2016

HARC was the venue for the National Launch of this initiative on Tuesday 22nd November 2016 – an event that saw the building buzzing with people excited about archives!

The guest list included county dignitaries, such as our Lord-Lieutenant, the Countess Darnley, and High Sheriff, Bill Jackson, as well as local mayors. The keynote speaker was Dr Ian Mortimer, known to many locally, not least as President of the county's Mortimer History Society. Dr Mortimer is also something of "A Time Traveller...." and therefore completely at home in the newest archive building in the country (and a Passivhaus one at that) with its rich history and archival holdings.

Other inclusions came from the Cathedral Archives (airing a sneak preview of its connections with Magna Carta in 2017), Huntley Film Archives, and the Bromyard and District Local History Society, looking not a day over their venerable fifty years.

But, of course, we're preaching to the converted here.....so here's a thought. Who could you pass this newsletter on to? (Once you've made a note of all the dates and information YOU need, of course).

New Books and Merchandise

2B or not 2B – Ah, pencils. An essential item in the tool kit of any visitor to the Archive. OK, they're not "new" merchandise (though they are new pencils!), nor are they 2B, rather HB - but we have a choice of colours, and they are only 30p each – who else could you treat to one, besides yourself?

The latest addition to the Victoria County History family – **Bosbury** - is now available priced £10.

Launched at HARC last September, Bill Laws' latest book, **Herefordshire's Home Front in the First World War** is available priced £10.

Wye by Richard Hayman (£15) explores the history of our river.

The Tailor of Hereford by John Harrison (priced £10) details the history of five generations of tailors and their changing worlds – those tailors being Pritchards, still serving the sartorial elegance of Hereford in King Street.

From Memoirs to Petticoats, and all sorts of interesting things between, being **Workers' Education Association (WEA)** Talks and Workshops at HARC... please see the WEA leaflets, posters, and website www.wea.org.uk/westmidlands

Volunteer Opportunities

If you are interested in volunteering, here are some of the ongoing and new projects – please get in touch so we can make sure your availability coincides with the availability of equipment (such as laptops).

- Herefordshire Archive Service **indexing project** (the online index) - volunteers are required to retro-convert old index cards and catalogues onto Microsoft Excel spreadsheets to improve the online finding aids. There is also scope to index directly from certain original collections to facilitate access.
- Digitisation of the **Bustin photographic collection** – new project, starting in 2017
- Indexing calendar of **prisoner records** for the county of Herefordshire (19th century) - this project is an ideal volunteering option for those interested in crime and punishment and social history in Herefordshire. Volunteers are required to transcribe onto Microsoft Excel spreadsheets personal information about the prisoner, the crimes they committed and their punishment.
- **Probate index project**, 1540-1700 – volunteers can work from home to data input handwritten notes relating to the probate collection of Hereford Diocese 1540-1700. The completed data will be added to the online wills index on Herefordshire Archive Service's website.
- The current **preservation** projects are fully attended, but if you are interested in future developments we'd be pleased to hear from you.
